PANIC SHIELD KITS

LockeyUSA 24" panic shields are available individually or as a component of a Panic Shield Kit. Information on how to order a panic shield kit is found below.

Standard vs. EDGE Style Kits

**Panic Shield Kits are offered in two styles, Standard and EDGE**

The main differences between Standard and EDGE panic shield kits:

✓ Panic bar mounts closer to the edge of the gate with EDGE kits

✓ Reduced strike size on EDGE kits when compared to Standard kits

✓ Reduced strike protrusion on EDGE kits when compared to Standard kits

✓ Latch Protector & Jamb Stop (gate stop) included with all EDGE kits
Standard   **EDGE**
Standard Style

PB1100 mounted on a Standard Style Panic Shield setup

EDGE Style

PB2500 mounted on an EDGE Style Panic Shield setup
