# FENCE PRO'S #1 CHOICE

## ABOUT NATIONWIDE INDUSTRIES

For more than 30 years, Nationwide Industries has designed and manufactured innovative hardware products and solutions that make our product easy to choose and install. With the largest in-stock selection of fence and gate hardware, Nationwide Industries offers more than 2,000 SKUs and holds 29 patents on products designed for strength, performance, and proper operation. Our range of products include latches, hinges, locks, and other essential fence and gate components for every kind of fencing, such as aluminum, steel, metal, vinyl, wood, chain link, and pool and patio enclosures.

We are committed to delivering customers the highest quality materials available – from the simplest solutions to the most complex components. Nationwide Industries has a dedicated team of customer service professionals committed to selecting products and solutions to ensure ease of installation and fewer call backs. Products and solutions are easy to come by with industry experts just a phone call or email away.

Made from the highest quality materials available, including aluminum, steel, stainless steel, glass-filled nylon, and die-castings, Nationwide Industries brands are engineered and manufactured to outlast, outperform, and outshine any other brand of fence and gate hardware available on the market. Our products are guaranteed to last, easy to install, and select products come with our Million Cycle Warranty. Our rigorous testing ensures that our products can withstand repetitive use without costly repairs or replacements. More than 30 products and counting have met the testing requirements to feature our Million Cycle Warranty. They are guaranteed to work for one million cycles, or you will receive a complete product replacement for any loss of functionality.

## FOR EACH SIDE OF THE HINGE, YOU CHOOSE:

- ▶ Aluminum or Steel material
- ▶ Bolt-on or Weld-on application
- ▶ Black or Mill (unpainted) finish

### Understanding the Part Number

**Material:** A = Aluminum S = Steel  
**Application:** B = Bolt-on W = Weld-on  
**Finish:** M = Mill B = Black\*

\* Black finish on aluminum and steel is e-coated.

## HINGE FEATURES:

- ▶ Each hinge contains 2 sealed roller bearings (no grease required)
- ▶ All hinges slotted for horizontal adjustability
- ▶ Rating: 2,500 lbs. per hinge based on factory dynamic rating of bearings\*\*
- ▶ Assembled in the U.S.
- ▶ Warranty: Lifetime on components and 5 years on bearings
- ▶ Unpainted steel hinges are zinc plated.
- ▶ Steel weld-on body fits round or square profiles
- ▶ All hinges sold individually but packaged 8/case.

\*\* On this type of hinge, the mounting bracket is the weak point (not the bearings). Nationwide Industries steel yoke is 15% thicker than competitive products reviewed.

## MITER-LESS WOOD CAPS

These slip-over, Miter-less wood caps are made from a single solid block of mahogany wood. Eliminating the miter joints has solved the age old problem of post caps splitting at the corners. By making the cap out of one solid piece of wood, it has eliminated the need for any glue or staples to hold the cap together.

 Made From High Quality Mahogany Wood

### DC - DOUBLE COMBINATION

Most LockeyUSA Mechanical Keyless Locks are available in Double Combination (DC). DC locks have a combination body on both the interior and exterior and require a code to unlock from both the interior and exterior.

### KO - KEY OVERRIDE

Many of our products are available in Key Override (KO). Please note the warranty on Key Override locks differs from our standard mechanical lock warranty. For warranty statements, visit [LockeyUSA.com/warranty](http://LockeyUSA.com/warranty)

### MG - MARINE GRADE

We offer two marine grade finishes, Jet Black Marine Grade (JBMG) and Satin Chrome Marine Grade (SCMG), which are designed to extend the life of the finish when exposed to corrosive elements of coastal/saltwater environments.

“My clients know we’ll bring the best, and that includes LockeyUSA locks.”

– Matt Martinez,  
AGF Custom Metal Concepts

## MECHANICAL KEYLESS LOCKS + GATE BOXES

LockeyUSA Mechanical Keyless Locks are weather resistant and completely mechanical, with no batteries or wires, making them ideal for gates and exterior applications. When you design a gate that includes a LockeyUSA Mechanical Keyless Lock, you’re choosing a product backed by a Lifetime Mechanical Warranty.

# WARRANTY STATEMENTS

LockeyUSA reserves the right, at its sole discretion, to request additional information in order to process Warranty Claims more effectively and efficiently. If the Product(s) are deemed to be covered by the applicable LockeyUSA Warranty, LockeyUSA will repair or replace the defective product(s). LockeyUSA will return ship Product(s) covered by the LockeyUSA Warranty to Purchaser (at its sole expense) to locations in the United States. For International Warranty Claims, Purchaser will be responsible for any and all shipping charges, duties and fees.

## Digital Mechanical Keyless Locks (NO Key Override):

### Lifetime Mechanical Warranty

All Lockey mechanical keyless locks are covered by a Lifetime Mechanical Warranty. The LockeyUSA Lifetime Mechanical Warranty covers manufacturer defects to the lock. The Lifetime Mechanical Warranty does NOT cover the finish of the lock or defects resulting from vandalism, and improper installation or use. Use of a non-synthetic lubricant may damage your lock and will not be covered under warranty. Adjustable latch and spindle are not covered under our Lifetime Mechanical Warranty and may need to be replaced in time. Additionally the Lifetime Mechanical Warranty does not cover lock tampering. Any attempt to remove the 'Silver Screws' to repair or manipulate the mechanics of the lock, will VOID the Warranty. The Lifetime Mechanical Warranty applies only to Lockey keyless mechanical locks. The Lifetime Mechanical Warranty does NOT apply to key override (KO/KA) locks or any other Lockey product that includes a keyway.

## Digital Mechanical Keyless Locks (with Key Override):

### Limited Lifetime Warranty

Lockey mechanical keyless locks with the key override (KO/KA) option are covered by a Limited Lifetime Warranty. The LockeyUSA Limited Lifetime Warranty covers manufacturer defects to the lock. The Limited Lifetime Warranty does NOT cover the tailpiece/spindle or cam, including, but not limited to, damage, bends, breaks and/or modifications to the tailpiece/spindle. The Limited Lifetime Warranty does NOT cover the finish of the lock or defects resulting from vandalism, and improper installation or use. Use of a non-synthetic lubricant may damage your lock and will not be covered under warranty. Adjustable latch and spindle are not covered under our Lifetime Mechanical Warranty and may need to be replaced in time. Additionally the Lifetime Mechanical Warranty does not cover lock tampering. Any attempt to remove the 'Silver Screws' to repair or manipulate the mechanics of the lock, will VOID the Warranty.

*IMPORTANT: Please read/follow installation instructions closely. The warranty may be void if the Silver Screws are removed, or if the lock is not kept in the 'Clear' position while the code is being changed. The LockeyUSA Lifetime Mechanical Warranty and Limited Lifetime Warranty cover Lockey mechanical locks manufactured after December 31, 1999. The LockeyUSA Lifetime Mechanical Warranty and Limited Lifetime Mechanical Warranty do NOT cover mechanical locks manufactured on or before December 31, 1999. Warranty Claims will only be processed when the product is returned to LockeyUSA by the original Purchaser (at Purchaser's sole expense), accompanied by a LockeyUSA Warranty Claim Form and valid proof of purchase.*

## Lockey E-Digital Electronic Keypad Locks: One-Year Electronic Warranty

All Lockey E-Digital Electronic Keypad Locks are covered by a One-Year Electronic Warranty. The One-Year Electronic Warranty covers manufacturer defects to the electronics of the lock. The One-Year Electronic Warranty does NOT cover the latch or the tailpiece/spindle, including, but not limited to, damage, bends, breaks and/or modifications to the tailpiece/spindle. Use of a non-synthetic lubricant may damage your lock and will not be covered under warranty. The One-Year Electronic Warranty does NOT cover the finish of the lock or defects resulting from vandalism, and improper installation or use.

*IMPORTANT: Please read/follow installation instructions closely. Failure to follow instructions and properly install the product may result in the void of warranty. Warranty Claims will only be processed when the product is returned to LockeyUSA by original Purchaser (at Purchaser's sole expense), accompanied by a LockeyUSA Warranty Claim Form and valid proof of purchase.*

## Lockey Hydraulic Gate Closers: One-Year Warranty

(includes the following Product #'s)

TB100 | TB175 | TB200/TB400/TB600 | TB250+/TB450+/TB650+

Lockey Hydraulic Gate Closers (not including the TB950 Magnum) are covered by a One-Year Warranty. The One-Year Warranty covers manufacturer defects to the hydraulic gate closer. The One-Year Warranty does NOT cover defects resulting from vandalism, and improper installation or use.

*Important: Please read/follow installation instructions closely. Warranty may be void if the hydraulic gate closer is installed improperly (including installation on gates with spring tension), if the opening angle of the hydraulic gate closer is not restricted to 90 degrees or less (gate stops are recommended), or if the hydraulic gate closer operates in temperatures less than 15 degrees Fahrenheit and/or temperatures greater than 100 degrees Fahrenheit. Warranty Claims will only be processed when the product is returned to LockeyUSA by the original Purchaser (at Purchaser's sole expense), accompanied by a LockeyUSA Warranty Claim Form (including installation measurements) and valid proof of purchase.*

## Lockey TB950 Magnum Hydraulic Gate Closer & Hinge: Ten-Year Warranty

The Lockey TB950 Magnum Hydraulic Gate Closer and Hinge is covered by a Ten-Year Warranty. The Ten-Year Warranty covers manufacturer defects to the hydraulic gate closer and hinge. The Ten-Year Warranty does NOT cover defects resulting from vandalism, and improper installation or use.

*Important: Please read/follow installation instructions closely. Warranty may be void if the TB950 Magnum Hydraulic Gate Closer and Hinge is installed improperly or if the hydraulic gate closer and hinge is operated in temperatures less than negative 40 degrees Fahrenheit and/or temperatures greater than 100 degrees Fahrenheit. Warranty Claims will only be processed when the product is returned to LockeyUSA by the original Purchaser (at Purchaser's sole expense), accompanied by a LockeyUSA Warranty Claim Form and valid proof of purchase.*

## Lockey Panic Hardware

All Lockey Panic Hardware including Lockey Panic Bars and Panic Shields come with a Five-Year Mechanical Warranty. The Five-Year warranty does NOT cover damage or defects to the product's finish, or defects resulting from vandalism, and improper installation or use. The Warranty does not apply to DETEX Panic Hardware, sold by LockeyUSA. All DETEX Warranty inquiries must be directed to the manufacturer.

## Lockey Electronic Cabinet & Locker Locks (EC Series)

All Lockey EC Series electronic keypad locks are covered by a Three-Year Electronic Warranty. The Three-Year Electronic Warranty covers manufacturer defects to the electronics of the lock. Use of a non-synthetic lubricant will damage your lock and will not be covered under warranty. The Three-Year Electronic Warranty does NOT cover the finish of the lock or defects resulting from vandalism, and improper installation or use.

*Important: Read and follow installation instructions closely. Failure to follow instructions and properly install the product may result in the void of warranty. Warranty Claims will only be processed when the product is returned to LockeyUSA by original Purchaser (at Purchaser's sole expense), accompanied by a LockeyUSA Warranty Claim Form and valid proof of purchase.*

Unmistakably bold, the Grip-Rite RED System features tools, compressors, compressors and fasteners pros demand when they are looking for quality and value from a brand they know and trust. From framing and roofing to fencing and siding the RED System has everything needed to get the job done right!

### **COIL FRAMING NAILER GRTCN90**

The Grip-Rite® GRTCN90 coil framing nailer is durable yet lightweight, weighing in at only 6.6 pounds. The selectable trigger allows workers to choose between bump and sequential fire. A rotating belt hook and durable molded rubber grip allow for comfort and ease of use.

### **21° FRAMING NAILER GRTFR83**

One of the most durable, yet lightweight framers on the market. Well balanced and weighing only 6.9 lbs., the GRTFR83 dramatically reduces user fatigue and easily fits between 16" OC studs. Exclusive to Grip-Rite®, it features "True Drive" Technology, which actually recycles a portion of the air after each shot and reduces the amount of air needed for the next nail.

### **0° Fencing & Siding Nailer GRTCS250Z**

The Grip-Rite® RED System™ GRTCS250Z coil nailer is designed with the professional contractor in mind. The tool is equipped with a 360° tool-free air exhaust, rotating belt hook and a durable molded rubber comfort grip. A no-mar pad protects work surfaces from damage.

### **Mini Palm Nailer GRTMP16**

The small but powerful GRTMP16 mini palm nailer will reach almost anywhere and drives up to most 3-1/2" 16D nails. It features a magnetic insert in the nose to hold the fastener in place and allow users a free hand while working.

### **15° Coil Siding & Fencing Nailer GRTCS250**

GRTCS250 features a lightweight and balanced design and selectable firing power to handle your toughest jobs. This tool is loaded with features – a wire debris shield to protect against flying material and an included no mar pad to protect work surfaces....not to mention the 360° air exhaust, rotating belt hook and tool free depth adjustment.

### **4 Gallon Compressor GR2540LR**

GR2540LR features a low 1725 RPM motor that increases the life of the compressor and dramatically reduces the noise level compared to similar 3450 RPM units. It only draws 12-Amps at start up which means no more tripped (blown) breakers. The extending pull handle and 10" No-Flat tires add to the versatility and functionality of this unique unit.

Structural Screws, MAX Stainless, Trim Head & Coated

## PrimeGuard MAX® Stainless Exterior Screws

When nothing but the best will do, Grip-Rite MAX Stainless screws are the preferred premium exterior construction fastener on jobsites – especially those located in areas with high humidity, around pool areas or near the coasts. Grip-Rite 305 and 316 grade stainless steel screws are ideal for fastening decking, siding, roofing, finish and trim and are the best choice for use in cedar and redwood construction. Deep cut threads and T15-30 star drive heads are standard on all Grip-Rite MAX Stainless Exterior Screws, increasing holding power and quick engagement for a solid connection.

## PrimeGuard Plus® Exterior Coated Screws & Trim Head Screws

Grip-Rite Exterior Coated Star Drive and Trim Head screws are engineered with our exclusive PrimeGuard Plus premium coating – guaranteed against rust and corrosion to prolong the beauty and durability of decks, siding, fencing, railing, and other outdoor projects. Grip-Rite Exterior Screws feature T25-T30 star drive heads to reduce cam outs when driving into your outdoor project. Our T-20 star drive Exterior Trim Head Screws are the perfect solution for railing, siding, or anywhere a thinner shank and smaller head are desired. Type 17 point tips on both screws reduce the need to pre-drill and help to keep the material from splitting. Coarse threading pulls the substrates together for a solid, tight connection.

## PrimeGuard® Exterior Coated Screws

Grip-Rite exterior screws with PrimeGuard coating are a reliable choice for contractors and DIYers who want quality and value from a brand they know and trust. With a Phillip's head, coarse thread and a sharp point, all wrapped in a 10-year coating warranty, this fastener is ideal for use in treated lumber projects.
